The Predator (R)

• **Boyd Holbrook** • **Olivia Munn** •

From the outer reaches of space to the small-town streets of suburbia, the hunt comes home in Shane Black's explosive reinvention of the Predator series. Now, the universe's most lethal hunters are stronger, smarter and deadlier than ever before, having genetically upgraded themselves with DNA from other species. When a young boy accidentally triggers their return to Earth, only a ragtag crew of ex-soldiers and a disgruntled science teacher can prevent the end of the human race.

The Wife (R)

• **Glenn Close** • **Jonathan Pryce** •

Joan Castleman (Glenn Close) is a highly intelligent and still-striking beauty -- the perfect devoted wife. Forty years spent sacrificing her own talent, dreams and ambitions to fan the flames of her charismatic husband Joe (Jonathan Pryce) and his skyrocketing literary career. Ignoring his infidelities and excuses because of his 'art' with grace and humor. Their fateful pact has built a marriage upon uneven compromises and Joan's reached her breaking point. On the eve of Joe's Nobel Prize for Literature, the crown jewel in a spectacular body of work, Joan's coup de grace is to confront the biggest sacrifice of her life and secret of his career. *The Wife* is a poignant, funny and emotional journey; a celebration of womanhood, self-discovery and liberation.

Operation Finale (PG-13)

• **Ben Kingsley** • **Oscar Isaac** •

This thrilling true story follows the 1960 covert mission of legendary Mossad agent Peter Malkin as he infiltrates Argentina and captures Adolf Eichmann, the Nazi officer who masterminded the transportation logistics that brought millions of innocent Jews to their deaths in concentration camps.

Crazy Rich Asians (PG-13)

• **Constance Wu** • **Henry Golding** •

Crazy Rich Asians follows native New Yorker Rachel Chu (Wu) as she accompanies her longtime boyfriend, Nick Young (Golding), to his best friend's wedding in Singapore. Excited about visiting Asia for the first time but nervous about meeting Nick's family, Rachel is unprepared to learn that Nick has neglected to mention a few key details about his life. It turns out that he is not only the scion of one of the country's wealthiest families but also one of its most sought-after bachelors. Being on Nick's arm puts a target on Rachel's back, with jealous socialites and, worse, Nick's own disapproving mother (Yeoh) taking aim. And it soon becomes clear that while money can't buy love, it can definitely complicate things.
