It: Chapter Two (R)

• **Bill Skarsgard • James McAvoy • Jessica Chastain •**

Because every 27 years evil revisits the town of Derry, Maine, IT: Chapter Two brings the characters—who've long since gone their separate ways—back together as adults, nearly three decades after the events of the first film.

The Farewell (PG)

• **Awkwafina • Tzi Ma •**

In this funny, uplifting tale based on an actual lie, Chinese-born, U.S.-raised Billi reluctantly returns to Changchun to find that, although the whole family knows their beloved matriarch, Nai-Nai, has been given mere weeks to live, everyone has decided not to tell Nai Nai herself. To assure her happiness, they gather under the joyful guise of an expedited wedding, uniting family members scattered among new homes abroad. As Billi navigates a minefield of family expectations and proprieties, she finds there's a lot to celebrate: a chance to rediscover the country she left as a child, her grandmother's wondrous spirit, and the ties that keep on binding even when so much goes unspoken. With *The Farewell*, writer/director Lulu Wang has created a heartfelt celebration of both the way we perform family and the way we live it, masterfully interweaving a gently humorous depiction of the good lie in action with a richly moving story of how family can unite and strengthen us, often in spite of ourselves.

The Art of Racing in the Rain (PG)

• **Milo Ventimiglia • Amanda Seyfried • Kevin Costner •**

The Art Of Racing In The Rain is a heartfelt tale narrated by a witty and philosophical dog named Enzo. Through his bond with his owner, Denny Swift, an aspiring Formula One race car driver, Enzo has gained tremendous insight into the human condition and understands that the techniques needed on the racetrack can also be used to successfully navigate the journey of life. The film follows Denny and the loves of his life - his wife, Eve, their young daughter Zoe, and ultimately, his true best friend, Enzo.

Angel Has Fallen (R)

• **Gerard Butler • Morgan Freeman •**

When there is an assassination attempt on U.S. President Allan Trumbull (Morgan Freeman), his trusted confidant, Secret Service Agent Mike Banning (Gerard Butler), is wrongfully accused and taken into custody. After escaping from capture, he becomes a man on the run and must evade his own agency and outsmart the FBI in order to find the real threat to the President. Desperate to uncover the truth, Banning turns to unlikely allies to help clear his name, keep his family from harm and save the country from imminent danger.
