Rampage (PG-13)

• **Dwayne Johnson** •

Primatologist Davis Okoye (Johnson), a man who keeps people at a distance, shares an unshakable bond with George, the extraordinarily intelligent, silverback gorilla who has been in his care since birth. But a rogue genetic experiment gone awry mutates this gentle ape into a raging creature of enormous size. To make matters worse, it's soon discovered there are other similarly altered animals. As these newly created alpha predators tear across North America, destroying everything in their path, Okoye teams with a discredited genetic engineer to secure an antidote, fighting his way through an ever-changing battlefield, not only to halt a global catastrophe but to save the fearsome creature that was once his friend.

Isle of Dogs (PG-13)

(voices) • **Bryan Cranston** • **Francis McDormand** •

Isle of Dogs tells the story of *Atari Kobayashi*, 12-year-old ward to corrupt Mayor Kobayashi. When, by Executive Decree, all the canine pets of Megasaki City are exiled to a vast garbage-dump called Trash Island, Atari sets off alone in a miniature Junior-Turbo Prop and flies across the river in search of his bodyguard-dog, Spots.

I Can Only Imagine (PG)

• **Dennis Quaid** • **J. Michael Finley** •

The film brings to life the true story behind the song of ultimate hope, 'I Can Only Imagine.' A transformed relationship with his troubled father (Dennis Quaid) inspired Bart Millard (J. Michael Finley), the lead singer of the Christian band MercyMe, to write what is now the most-played radio single in Christian music history. The story beautifully illustrates that nobody is ever too far from God's love -- or too far from an eternal home in Heaven.

Blockers (R)

• **John Cena** • **Leslie Mann** •

When three parents stumble upon their daughters' pact to lose their virginity at prom, they launch a covert one-night operation to stop the teens from sealing the deal.
