The Fate of the Furious (PG-13)

• **Dwayne Johnson • Vin Diesel • Charlize Theron •**

On the heels of 2015's *Furious 7*, one of the fastest movies to reach \$1 billion worldwide in box-office history and the sixth-biggest global title of all time, comes the newest chapter in one of the most popular and enduring motion-picture serials of all time: *The Fate of the Furious*. Now that Dom and Letty are on their honeymoon and Brian and Mia have retired from the game-and the rest of the crew has been exonerated-the globetrotting team has found a semblance of a normal life. But when a mysterious woman (Oscar winner Charlize Theron) seduces Dom into the world of crime he can't seem to escape and a betrayal of those closest to him, they will face trials that will test them as never before. From the shores of Cuba and the streets of New York City to the icy plains off the arctic Barents Sea, our elite force will crisscross the globe to stop an anarchist from unleashing chaos on the world's stage...and to bring home the man who made them a family.

The Boss Baby (PG)

• **Alec Baldwin • Kevin Spacey •**

DreamWorks Animation and the director of *Madagascar* invite you to meet a most unusual baby. He wears a suit, speaks with the voice and wit of Alec Baldwin, and stars in the animated comedy, DreamWorks' *The Boss Baby*. *The Boss Baby* is a hilariously universal story about how a new baby's arrival impacts a family, told from the point of view of a delightfully unreliable narrator, a wildly imaginative 7 year old named Tim. With a sly, heart-filled message about the importance of family, DreamWorks' *The Boss Baby* is an authentic and broadly appealing original comedy for all ages.

Get Out (R)

• **Daniel Kaluuya • Allison Williams •**

When a young African-American man visits his white girlfriend's family estate, he becomes ensnared in a more sinister real reason for the invitation. Now that Chris and his girlfriend, Rose, have reached the meet-the-parents milestone of dating, she invites him for a weekend getaway upstate with Missy and Dean. At first, Chris reads the family's overly accommodating behavior as nervous attempts to deal with their daughter's interracial relationship, but as the weekend progresses, a series of increasingly disturbing discoveries lead him to a truth that he could have never imagined.

Going in Style (PG-13)

• **Morgan Freeman • Michael Caine • Alan Arkin •**

Oscar winners Morgan Freeman, Michael Caine and Alan Arkin team up as lifelong buddies Willie, Joe and Al, who decide to buck retirement and step off the straight-and-narrow for the first time in their lives when their pension fund becomes a corporate casualty, in director Zach Braff's comedy *Going in Style*. Desperate to pay the bills and come through for their loved ones, the three risk it all by embarking on a daring bid to knock off the very bank that absconded with their money.
